Trust Companies More Generous in Large Margins Required and Absence of a Short Interest

> NEW YORK, December 7 .- Action this morning was in the direction of higher prices for many of the indus trials, weakness in a few, and no particular strength in the rails nor yet activity.

The stock market seems to start well and then lacks the push to continue the headway with vigor. This may be due to the fact that there is a very hence the absence of any rush to cover 139 the asking price for the latter on the strong spots, the stimulant needed to carry the movement farther along.

Business in bonds showed a material improvement, trading being nearly evenly divided between Railway 4s and the Potomac Consolidated 5s, with sales of the former at \$1 and of the latter at 59%, both prices representing slight concessions to buyers.
